# WINE TOURS

W

COMPASS introduces Wine Tourism as a mean of shaping corporate culture, as well as, improving relations among associates both in small and larger corporations. Applying tactics widely used in France and USA, COMPASS has planned and suggests team experiences based on the production, tasting and culture of wine making.

I

Wine making is an art that constantly attracts more and more corporate travelers across the universe that choose wine tourism for their corporate travels. COMPASS, in collaboration with wine tourism professionals, has prepared complete organized trips to various wineries of Greece, enriching our Corporate team building activities that we proudly offer to our customers.

N

Corporate Wine Tourism packages include visits to vineyards, learning the art of wine making, participation in the final stage of wine making (depends on the time of the year), lunch at a winery, various activities and at some occasions accommodation in a winery.

E

Inform us about the number of associates and the timeline of your trip and we will plan an unforgettable, tailor made Wine Tourism experience both for you and your associates.

# LIFE COACHING

## Coaching Retreats

The weeks of Coaching Retreats are one-week meetings, where within a well-designed program, modules related to the body (relaxation, strengthening, energy therapies), the soul and the spirit are alternated, utilizing the Gestalt Psychological Approach. Participants will have the opportunity to get to know themselves better through individual and group activities, exercises and experiences and to use the power they have to realize what they dream of for their work and life.

“Stressed leaders”, professionals, business executives, managers and entrepreneurs who work with other people and feel the need for empowerment could use Coaching Retreats.

It's a great opportunity to:

- Act in an environment of optimism
- Draw new forces
- Increase their awareness of how they approach their work
- Interact with other people from different working environments
- Increase their mental resilience
- Enjoy the magnificent natural environment
- Meet products and people of the local gastronomic tradition

# COACHING RETREAT WEEK

“  
*Well Being  
Stress Management*  
”

During the week there will be sections:

- Laugh therapy and stress relief
  - Energy empowerment
  - Teamwork for mental empowerment and increase personal awareness of beliefs that prevent us from moving forward
  - Acquaintance with the roles we play at work and in life
  - Positive Claim and take personal responsibility
  - Exercise in teamwork and its secrets
  - Acquaintance with change and how I become a changeagent
  - Creating a personal plan of success Open space session without a program where the proposals come from the whole
  - Acquaintance with the place where the activities take place, tasting of wine and traditional products
- 

Every Coaching Retreat includes:

A morning and afternoon workshop every day and an entertaining proposal for the evening.

# TEAM BUILDING BY COMPASS

Our associates can satisfy any of your requests for activities beside the activities mentioned above. Our primary target is to combine in the best possible way travel pleasure and activities that will make your company even better. The new trend in Team Bonding has come to Greece and COMPASS is a pioneer in this type of corporate travel.
